FAQs and Rules

21. Fines

There are fines at all barrel races because a few people will not follow the rules. The fines are used to persuade them. The management of Elite Barrel Racing Productions does not like the fines, but has found out that they must have them. 100% of all fines will be donated to St. Jude Children's Research Hospital.

22. Returned Checks

There is a \$40 service charge on all returned checks from the bank, for any reason. If a check is not replaced with a cashier's check or money order within 30 days after the check is dated, the contestant will be put on the "ineligible" list.

23. Dogs

Dogs must be on a leash at all times.

24. Vendors

There shall be no selling of any type of merchandise or professional service on the arena grounds, in stalls, or at trailers without a vendor contract with Elite Barrel Racing Productions.

25. Must be Ready

Contestant shall identify themselves to the Gate Man and be in the holding area five horses before their run. Failure to do so will result in a disqualification. The Gate Man will be located next to the alleyway going into the arena. Contestant's name will be called by the Gate Man three times, if the contestant is not *in the arena* by the third call, they will be disqualified. Only one horse may be in the alleyway at any time. Remember the three official calls come from the Gate Man not the Announcer.

26. Time Begins

Any time a contestant crosses the starting line, the time will begin.

27. No Time

A "No Time" will be given to the contestant for the following reasons:

- If the contestant "circles" their horse after entering or exiting the arena. (Definition of the Arena is past the plane of the alley)
- If the contestant misses the barrel pattern.
- If the contestant runs out of turn. It is the contestant's responsibility to know their draw position.
- If a contestant knocks over a barrel. A "no time" will also be given if a barrel is knocked over and it sets up again on either end. Touching a barrel, including to keep it from falling, is permitted without penalty.

FAQs and Rules

- If the contestant's horse or rider falls during the run in such a manner as to break the pattern, or if the rider falls off the horse.
- Unable to get horse in arena in 60-second time limit.
- If a horse stops forward motion.

28. **Time Limit**

If a contestant is in the holding pen and attempts to enter the arena, but is unable to get the horse down the alleyway the gateman, after the second call, will give the rider 60 seconds to enter the arena. At the end of 60 seconds if the horse has not broken the plane at the end of the alleyway into the area the rider will be disqualified. (The reason for this rule is the safety of the contestant, the other contestants in the holding area and the employees.)

29. **Barrel Moved**

If a barrel moved off its marker during competition, the barrel must be reset prior to the next competitor's run.

30. **Horses in Arena**

Only one horse may be in the arena, or alleyway, at any time during competition. (The reason for this rule is the safety of the contestant. Accidents can occur where the assisting horse gets in front of the contestant horse and the contestant horse then decides to go and runs into the assisting horse.)

31. **Re-Runs**

Re-runs shall be granted if the official and backup timer both fail to work properly, unless a barrel has been turned over resulting in a no-time. If the barrels are not placed properly on their markers, a re-run shall also be granted without any penalties being applied; however, any penalty occurring on the re-run shall result in a no time.

32. **Training in Arena**

Contestants who are given a "no time," either for missing the pattern or knocking down a barrel, may complete the pattern. However, show management may, at its discretion, ask a rider who is taking excessive time to train to leave the arena immediately. If such request is not complied with, a \$25 fine may be assessed.

33. **Fastest Run Possible**

Contestants must attempt to make the fastest run possible. Any obvious attempt to "pull up" or pace their run may result in the following penalties- 1st Offense - Warning, 2nd Offense - \$50 fine, 3rd Offense - one year on the "ineligible" list at Elite Barrel Racing Productions events.
